In 1998, Mitzvah Central began as a resource for students to find volunteer opportunities in the community to fulfill school service hours or for Bar/Bat Mitzvah requirements. Mitzvah Central continues to fulfill that purpose, and it serves as a great resource for many adults as well. Mitzvah Central is available as a pdf on the JFS website www.JFSdallas.org).

All listings are in alphabetical order. The first section focuses on the Jewish community organizations and the second section focuses on the general community. Feel free to visit an organization’s website for more information. The Alphabetical listing (with page numbers) is found on the following pages.

Please contact the Volunteer Coordinator or Contact Person for each organization to schedule your opportunity. Don’t forget to let Jamie or Barbara know about your experiences. If you have found an organization that is not on our list, but one that would be well-suited for this newsletter, please share the information with us.

Thank you again on behalf of all of the agencies listed, for taking time out of your day to help others.

You can make a difference!

# Volunteer Opportunities in the Jewish Community

**Dated opportunities noted by 🎉 🎉**

| **Aaron Family JCC** | Volunteer at the Aaron Family JCC:  
**RSVP Knitting Group**: Join on Mondays from 9:30am - 11am to knit baby items and create activity books for children at Parkland Hospital. Help **make membership packets** Monday-Thursday afternoons 1pm - 4pm  
**Other volunteer opportunities become available as needed.** Contact Artie Allen with your areas of interest at 214.239.7101 or aallen@jccdallas.org. |
|---|---|
| **A Package From Home** | **A Package From Home** is an organization dedicated to strengthening the spirit and resolve of each Israeli combat soldier.  
Please visit the website [www.apackagefromhome.org](http://www.apackagefromhome.org), click on Honor Roll to learn about the **letter writing campaign**. Letters can be written in English or Hebrew. Also check the website for ongoing activities: **sending care packages, knitting helmet liners and other activities** for individuals and groups. This can be a meaningful Bar/Bat Mitzvah project. Fundraise and/or collect items for the packages. Check the website for items needed. |
| **B’nai Mitzvah: Acts of Memory (at the Los Angeles Museum of the Holocaust)** | **B’nai Mitzvah**: **Acts of Memory (at the Los Angeles Museum of the Holocaust)** - Connect with the memory of children lost in the Holocaust before they could be called to the Torah. "Acts of Memory" provides the b’nai mitzvah student (or anyone who wishes to remember a child) with the name of a lost child, biographical information about that child, and suggestions for simple acts of remembrance: doing mitzvot b’shem (in the name of the child), mentioning the child in a D’var Torah or speech from the bimah, taking on the mitzvah of saying Kaddish, or lighting a yahrzeit candle yearly. To date, more than 27,000 in over 1,100 congregations worldwide have participated in Acts of Memory. **To request a name:** [www.lamoth.org B’nai Mitzvah: Acts of Memory (More Information)](http://www.lamoth.org) or elly@lamoth.org. ” |
| **Bnai Zion** | In existence for over 100 years, **The Bnai Zion Foundation** supports humanitarian projects in Israel such as the Bnai Zion Medical Center. Founded in 1922 as the first Jewish hospital in Haifa, formerly the Rothschild Hospital, it provides medical treatment to all who pass its threshold regardless of ethnicity, religion or gender.  
Bnai Zion also supports the Ahava Village for Children and Youth: Ahava Village, located in Kiryat Bialik, is a residential center for children age 6-18 coming from high-risk, abusive home situations. Ahava began educational and therapeutic work with Jewish children over 80 years ago in Berlin and since then, it has helped thousands of children and youth in Israel. Comprised of family apartments, educational facilities, and recreation areas, the campus is home to over 200 children, who benefit from customized care, education and training. Designed to help children overcome severely dysfunctional backgrounds, Ahava offers different kinds of therapy and a range of |
| Bnai Zion (cont.) | activities to help children persevere with hope and optimism. Ahava plays a leading role integrating these children and youth into Israeli society to be useful citizens leading fulfilling lives. The current priority at Ahava is to establish a large Therapy Center which suits the needs of every therapy and treatment program, and concentrates all the therapists in one building. **Please consider Bnai Zion for your Mitzvah Project** in order to help these abused and neglected children. Consider starting a drive to support one of the programs (pet therapy, horse therapy, music and/or art therapy, etc.). Great Bar/Bat Mitzvah project! Avrille Harris is available to speak to Bar/Bat Mitzvah classes and other groups about the work and importance of Bnai Zion to Northern Israel. Please call about **volunteer opportunities in the office** (make phone calls before and after events, follow up on reservations and more). |
| **Anytime** | **Community Home for Adults, Inc. (CHAI):** is a non-sectarian, non-profit corporation under Jewish auspices that provides programs and services to enable adults with Intellectual Disabilities to live full, rich lives in a safe environment and to meaningfully participate in the community. They welcome volunteers who are passionate about the services they provide and the people who benefit from them. The most treasured contribution that a volunteer can provide is one-on-one personal time with residents and clients. **Volunteering for CHAI is not a one-way relationship; it is one in which friendships are cultivated.**  
**Individuals and Groups:** Volunteers can choose from a wide variety of programs including **holiday parties, special projects (challah baking, arts & crafts), athletic, and social activities.**  
**House Projects:** Household projects are always needed. Consider (based on need) **painting, fix-it projects, planting flowers or starting a vegetable garden.** These projects can be done with or without participation from the residents.  
Volunteering at CHAI is a great way to **earn Mitzvah and Community Service Hours or just give back to the community**  
Minimum age: 12-14 accompanied by an adult or 15 + | **Community Homes for Adults, Inc. (CHAI) | Kathy Schneider

**Special Projects: Docent Training Program**  
This course is designed to introduce volunteers to Holocaust history (as it is presented in the Museum’s permanent exhibit), Museum design, history, and museum educational methodology so they can **join a team of docents** for the core exhibit. The course offers a solid foundation in policies, procedures, and touring techniques. Various lecturers will address topics on the Museum and educational methodology.

The Jewish Federation of Greater Dallas is the central fundraising agency for the Dallas Jewish community. It is the one place where philanthropy, volunteerism and shared commitment come together to support a network of more than 30 local, national, and overseas organizations devoted to helping Jews enhance or rebuild their lives.

“Anytime” volunteer opportunities at the Federation:

Bar and Bat Mitzvah students are encouraged to do their mitzvah hours or fundraising projects for Jewish Federation of Greater Dallas. Help Jews in need around the world! B’nai Mitzvahs can either raise funds or donate a portion of their gifts that will touch so many areas of...

need in our community and around the world. Areas of interest to consider include the following:

**The Needy:** 350,000 American Jews live below the poverty line; another 500,000 live in low-income housing. Federation dollars help provide emergency cash assistance, food programs, low-income housing and job placement assistance.

**The Elderly:** A million North American Jews are over 65. The Federation leads all humanitarian networks in providing a complete system of senior care. That includes services that let the elderly stay in their homes; adult day care, Kosher Home Delivered Meals and respite care; assisted living and skilled nursing care all the way through to acute medical and end-of-life care.

**Israel:** Unemployment in Israel is in double digits; new layoffs are reported nearly every month. And it's particularly difficult for new immigrants and Ethiopian Israelis to find work. The federation community is working with new and existing partners to provide long-term solutions. That includes educational programs and scholarship opportunities; job training and retraining; and new business loans. They are also working to extend the school day to free time for parents with children to take advantage of these opportunities.

**The Future:** Federation is committed to securing the future of the Jewish community, through advocacy and education. Federation scholarships, subsidies and special programs help Jews of all ages and affiliations engage in Jewish life. They also defray the high cost of being Jewish, which can include $10,000 for day school, $1000 for synagogue membership, $700 for summer day camp, and $500 for family membership at the JCC.

The Tycher Library, located on the 2nd floor of the Aaron Family JCC, needs help from teens and adults in the following areas:

- **Shelving books** or assist with other various projects as needed
- **Stuffing envelopes** for events and thank you notes
- **Data entry and filing**

MAZON: A Jewish Response to Hunger is a national nonprofit organization working to end hunger among people of all faiths and backgrounds in the United States and Israel. MAZON, which means “food” in Hebrew, was the first national organization to rally the American Jewish community around the issue of hunger, and remains the only national Jewish organization dedicated exclusively to that same cause.

Bar/Bat Mitzvah students can help raise awareness about hunger and advocate for change:

- **Create a video or book** that portrays the problems that hungry people face, and share your creation with your classmates, family and friends.
- **Coordinate a “Walk to End Hunger”** event in your community and invite all of your friends and family to participate.
- **Write a letter on a paper plate** that expresses why hunger is important and why we must do something to end it. Invite your friends and family to do the same. Send your plate(s) to your Congressperson as a plea for him/her to take action on behalf of the hungry people in your community.
- **Write an article for your school newspaper** about the prevalence of hunger and what your peers can do to help address the issue.

Adults can:

- **Submit an Op-Ed to your local newspaper** outlining the prevalence of hunger in your community and the steps we should be taking to end it.
- **Lead a MAZON Hunger Seder for Passover**. Encourage a conversation about hunger among guests and provide ways for them to do something to address the issue.
- **Create and lead a Hunger Shabbat for your synagogue** to raise awareness about hunger among your congregation.
- **Like/follow MAZON on social media and promote its messages to friends and family.**
  - Facebook.com/mazonusa
  - Twitter.com/stophunger

Visit mazon.org to get more information about these projects and discover other ways to support MAZON in the fight to end hunger.

**MAZON has a Youth Outreach Coordinator** who is happy to support bar/bat mitzvah students with any aspect of their projects – just email outreach@mazon.org and let them know how they can help!

This NCJW program has been introducing Dallas area sixth graders to the country of Israel for more than 20+ years. Volunteers, working in pairs, present facts about Israel in an entertaining manner, supplementing the school’s social studies curriculum on the Middle East. Students learn about the history, geography, culture, language, and politics of Israel. Volunteers act as “good-will ambassadors”, educating and at the same time, presenting Israel in a positive light. After brief training, volunteers work in pairs, using scripts and visual aids. “History comes alive” with student participation, questions, demonstrations and role-playing. YACHAD: Promotes and facilitates the inclusion of all people with disabilities. YACHAD activities provide members with opportunities for personal growth and enriched lives. The ‘inclusive design’ gives the special population their rightful place within the Jewish community, while helping to educate the community about the members’ abilities and strengths. YACHAD is open to children with mild to moderate disabilities, and provides opportunities for Jewish children with special needs to integrate with their “typically functioning” peers.

YACHAD EVENTS: Monthly social activities (1.5 to 2 hours), usually on Sundays. Each event has YACHAD members and their “typically functioning” peers (open to any child 8th-12th grade), both of whom are supervised by advisors (young adults who have training or experience working with children with special needs). Activities include bowling, making care packages, kickball, games, pizza baking, concert and music events, martial arts, zoo and museum trips, experiential Jewish learning, mini-golf, and more! Locations for activities vary from month to month. Orientation is required and done on an individual basis. Minimum age: 8th grade

There are also opportunities for post-high school volunteers to be advisors for the program. They should have training, experience or comfort level to work with children with special needs. Please contact Terri Rohan

| Literacy Instruction for Texas (LIFT) | Literacy Instruction for Texas (LIFT) is a nonprofit organization that enhances lives and strengthens communities by teaching adults to read. In 1961, the National Council of Jewish Women (NCJW) Greater Dallas Section founded LIFT to address the rising illiteracy rate among adults in the Dallas area. The goal was to create and support an organization that would offer accessible classes so that functionally illiterate adults could learn to read and write English. Over 58,000 adults have been helped at LIFT since its founding. Today, they continue to grow that number with the help of 350+ volunteers and more than a dozen community partner sites. Programs: Beginning with basic phonics, the Adult Basic Literacy Education (ABLE) curriculum is designed to address the needs of adult learners who struggle with reading. The High School Equivalency (HSE) classes are designed to improve work readiness skills and are customized by skill level, are self-paced, and supported by an online software program that students can access anytime, anywhere. They also help non-native speakers develop the English Language Acquisition (ELA) skills needed for work, school and community. All LIFT classes are delivered in a classroom setting from trained, dedicated volunteer teachers. Volunteers: Volunteers commit to a minimum of two hours per week for three months.
