

**Jewish Family Service
of Greater Dallas**

An open door to all in need

Donate your Car to Jewish Family Service

You make the call, we'll take care of the rest.

How It Works

- 1** Jewish Family Service will work with you to get your donated vehicle and will process all required paperwork for the donation and sale of the vehicle.
- 2** The vehicle will be advertised to maximize the exposure and sale price in order to bring the maximum amount in for charity.
- 3** After the vehicle is sold or donated then you will receive the IRS form as your receipt for tax purposes.

Donating your car, truck, motorcycle, or RV will help raise money for Jewish Family Service and provide effective, accessible, and comprehensive mental health and social services for the Greater Dallas community.

- The donation is tax deductible. Individual tax situations vary, so please check with a tax professional to determine how you may benefit.
- Jewish Family Service is registered as a 501(c)(3) nonprofit organization.
- Donating is quick, easy, and secure, without the hassle of selling it yourself.
