For Fiscal Year 2020-2021, Jewish Family Service will not be holding a fundraising event or a Society of Life Reception. We do intend to bring those events back as soon as it is safe to do so. In lieu of event-related benefits, JFS will be creating a special donor recognition wall in the main corridor of the JFS building to capture this unique moment in time. The wall will pay tribute to those who helped MAKE MORE POSSIBLE... WHEN IT ALL SEEMED IMPOSSIBLE during this COVID-19 crisis and will remain in our hallway for many years to come. The wall will be made up of photos, quotes and donor names.

Please see the reverse side for a visual representation of the recognition wall. Spaces will be allocated based on giving level.

Full pledge payments must be made by **April 30, 2021** to be included on the Donor Recognition Wall.

Society of Life level will be determined by the cumulative amount given directly to JFS within our fiscal year (August 1, 2020 – July 31, 2021).

L'Dor V'Dor Society members will receive additional recognition in a special section of the wall.
