# EXPLANATION OF BENEFITS

2021-2022

To enhance our giving levels within Society of Life, we are offering an expanded list of benefits that includes opportunities to deepen our donor relationships and give you a behind-the-scenes look at the work of Jewish Family Service throughout the year.

## **SOCIETY OF LIFE RECEPTION**

An intimate evening reception to thank all our Society of Life donors for their sustaining support, this reception traditionally takes place in the fall. All eligible donors receive a personal invitation in the mail leading up to the event. For our 2021 Reception, we will be unveiling our new Food Pantry space in the JFS building.

## **EXCLUSIVE SOCIETY OF LIFE FAMILY VOLUNTEER DAY**

For the first time, we will be offering a day of volunteering that is only open to our Society of Life Members. Our Volunteer Engagement team will create a selection of opportunities to support JFS clients, with options available for participants of any age. **This special day will take place on MLK Day, Monday, January 17, 2022.** Be on the lookout for more information coming soon.

## **PLAN'S ZOO RENDEZVOUS**

Learn why we're wild about our PLAN Clubhouse at a family-friendly day at the Dallas Zoo! Your tickets include zoo entrance, a parking pass, shuttles to the private pavilion, light treats, a PLAN zoo scavenger hunt, special animal encounter and tickets to ride the carousel. Join us on Sunday, October 17, 2021. **Learn more and claim your tickets at [planntx.org/event](http://planntx.org/event).**

## **WOMAN TO WOMAN LUNCHEON**

Our signature fundraising event, this luncheon celebrates the power, influence, and impact of women while providing critical support for JFS programs and services. Men are always welcome! **This year's Woman to Woman Luncheon will take place on May 25, 2022 at the Renaissance Dallas Addison Hotel.** Our keynote speaker will be announced this fall! Stay up-to-date at [jfs womantowoman.org](http://jfs womantowoman.org).

## **JFS FOUNDATION**

This year, we are excited to incorporate legacy giving into Society of Life. All gifts made to the JFS Foundation in this fiscal year will count towards a donor's cumulative giving to determine their Society of Life benefits. Additionally, those donors who contribute more than \$1,800 to Jewish Family Service and also give \$10,000 or more to the JFS Foundation this year will receive special recognition as members of the L'Dor V'Dor Society.

Since 2012, the JFS Foundation has supported the long-term viability of the agency's mental health and social services through planned giving and endowments. While a yearly contribution to the agency is necessary for enabling JFS to grow in response to community needs, a gift to the JFS Foundation is a distinctive opportunity to make a lasting difference in our community with a contribution that will grow for years to come. Whether you establish your own named fund or contribute to an existing fund, you can focus your gift to support specific interests and services that honor your loved ones.
