All eligible donors receive a personal invitation in the mail leading up to the event. This year Reuben D. ## **JFS FOUNDATION**

All gifts made to the JFS Foundation in the fiscal year will count towards a donor's cumulative giving to determine their Society of Life benefits. Additionally, those donors who contribute more than \$1,800 to Jewish Family Service and also give \$1,800 or more to the JFS Foundation this year will receive special recognition as members of the L'Dor V'Dor Society.

Since 2012, the JFS Foundation has supported the long-term viability of the agency's services through planned giving and endowments. While a yearly contribution to the agency is necessary for enabling JFS to grow in response to community needs, a gift to the JFS Foundation is a distinctive opportunity to make a lasting difference. Whether you establish your own named fund or contribute to an existing fund, you can focus your gift to support specific interests and services that honor your loved ones. *Learn more at [jfsdallasfoundation.org](http://jfsdallasfoundation.org).*
