

# Career Services at Jewish Family Service

## Career & Financial Services Department

Our team of experienced Career & Financial Coaches provides individuals with the guidance and resources to reach their career, financial, and educational goals. **We're committed to helping job seekers become strong candidates for any job and achieve self-sufficiency.**

Using a friendly, client-centered coaching approach, we support clients in discovering their own solutions and identifying the steps needed to succeed. Our one-on-one coaching sessions are offered both in person and virtually. JFS is a non-profit organization and offers these services to clients of all ages, races, ethnicities, and religions.
